Celebrating

ANNIVERSARY

SANFORD is celebrating 10 years of business success,
Ever since its inception, SANFORD has been committed
to delivering high-quality solutions with a special focus
on interior decoration.

We Think

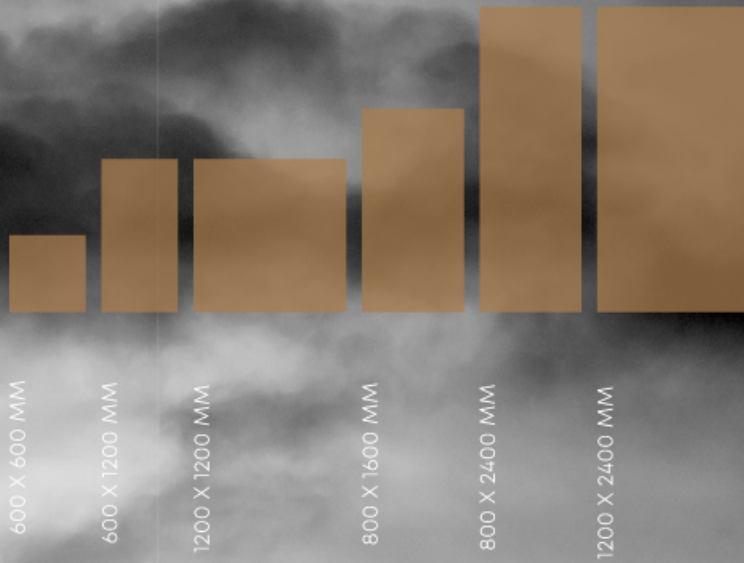

Defining excellence as we see it has become a natural process over the years.

We believe in the power of innovation, the uniqueness of Italian design, the importance of sustainability, the strength of discipline in all fields and the value of the people who work for us.

For many years we have worked with the world's leading architects, managing cross-border projects, supporting their creative quest and exchanging valuable know-how in order to constantly improve our products and align our services with their evolving needs.

We like to think of ourselves as real partners with real values that will sustain architectural excellence today, tomorrow and in the future.

*You must look ahead in order to
move forward.*

*You can only make progress when
you think big"*

Endless Advantages

Non - absorbent

frost resistance

Satin resistance

Chemical resistance

Resistance to UV

Easy to clean

Hygienic

scratch resistance

Hot resistance

High resistance to breaking load

Our journey

Sanford The Branding Heart Cutting-Edge Technology Since 2010.

Since 2010, Sanford is spearheading the industry with its cutting-edge technology and outstanding design.

2010-2011

Sanford came in to existence and starts producing soluble salts.

2012-2013

Sanford participates in **ACE TECH** event and starts producing glazed porcelain tiles. (PGVT/GVT)

2014-2015

Sanford launches new sizes in PGVT | GVT.

Sanford doubles its production capacity in just 5 years.

2016-2017

Sanford launches 20mm, 16mm, 12mm in fullbody.

The company participates in **ACE TECH** event and vibrant ceramic expo event.

2018-2019

Sanford launches its own slab production successfully.

2020-2021

Sanford provides extensive collection of tiles based on customer's needs & expectations.

Endless Destinations

A variety of solutions both technical and stylistic.

Project Evolution slabs offer designers a vast selection of materials, with sizes and finishes that can add value to any type of interior environment: from hotels to airports, from lofts to country houses. In the same manner, they are an attractive and durable option for outdoor facades of private and public buildings.
