**SANFORD  
THE BRANDING  
HEART CUTTING  
EDGE TECHNOLOGY  
SINCE 2010.**

Since 2010, Sanford is spearheading the industry with its cutting-edge technology and outstanding design.

We are Sanford. We believe in creating world-class products which are made in India with an international touch. We have made a niche for ourselves for magnificent manufacturing and innovative design.

We have emerged as globally renowned manufacturers of stunning ceramic products for our outstanding infrastructure and technology, unprecedented designs and classy, novel products. It's not so much about physical and material resources but it's more about the vision and philosophy of delivering matchless products in a timely fashion to provide ultimate satisfaction to the clients.

The thrust on inimitable quality coupled with advanced technology has led us to scale new peaks year after year since the inception of Sanford in 2010. We produce proven products that have re-shaped the industry standards and propelled the industry forward.

We are particularly proud of our team at Sanford. Whether it's R & D, manufacturing or customer service, our team is a cut above the rest and delivers the quality in time.

Sanford continues to push the frontiers of design and innovation for ceramic products made in India.
